MATVIS.

Junior Machine Learning Engineer (f/m/div.)

MATVIS is looking for a motivated Junior Developer to join our team and help shape the future of AI security. The chance to make a real difference in a dynamic, fast-growing startup.

About MATVIS

At MATVIS, our mission is simple: to make AI safe. We're building the security foundation for a future where organizations can confidently deploy generative AI. Here's how we're making it happen:

- AI Firewall: Full protection for AI applications by identifying, analyzing, and managing security risks.
- Pentest for GenAI: Automated red teaming to uncover security vulnerabilities in AI applications.

Your Role

As a Junior Machine Learning Engineer you will:

- Support the implementation of ML architectures and learn about different frameworks, technologies and cloud platforms
- Contribute to the development of ML solutions for various business requirements
- Gaining insight into MLOps processes and supporting training, deployment and monitoring
- Learn and apply compliance and security standards in ML systems
- Contributing to the maintenance and improvement of data pipelines for ML workflows
- Work in a motivated team in a dynamic startup environment

Ideal Background

- Solid experience in Python programming and machine learning development
- Experience with REST APIs, relational databases (e.g. SQL) and containerized environments such as Docker
- A proactive, independent way of working
- Languages: Fluent written and spoken English or German

Experience Level
Student

Starting Date
01.06.25 or by arrangement

Contract
Part-time, Working Student

Location
Tübingen, Hybrid, Remote

Job posted
04.04.2025

Why should you join MATVIS?

- We offer competitive salaries above current industry standards, not just entry-level salaries
- Flexible working hours
- State-of-the-art work equipment
- Attractive office environment
- Flexibility of remote working opportunities
- Promotion opportunities to senior and team leader roles

MATVIS is committed to diversity and inclusion. We strive to build a diverse team and welcome applications from people of different backgrounds, skin color, religion, sexual identity, gender, disability or age. Follow us on LinkedIn to stay up to date with what's happening at MATVIS.
